

Una collection which lends itself to countless uses: meeting, visitor, home office, break.  
 An effective, comfortable and eye-catching multi-purpose design, which changes its aesthetic lines and proportions thanks to the possibility of inserting different bases on wheels, fixed or sled.  
 The pyramid-shaped base merges with the black structure of the armchair creating a chromatic uniformity interrupted only by the seat cover.

---

### GENERAL INFORMATION

Do not expose the seating to direct sunlight and keep it at least 30 cm from any heat source;  
Do not sit with abrasive accessories, sharp objects in your pocket or jacket (keys, buttons, zippers, etc.) that may damage the fabric.  
Fabrics can fade. It may happen that under certain circumstances, colored clothes or jeans may stain the upholstery.  
Furthermore, the light colors of the fabrics and leathers are more susceptible to getting dirty.  
Choose the correct wheels for the type of floor on which the chair will be used.  
Rigid wheels on carpets or rugs (TYPE H) Soft wheels on hard ground: marble, tiles, ... etc.  
Wheels should be cleaned from time to time with gauze to remove fluff and dust.

### USE

This product is for indoor use only. The chair must be used in compliance with the aim for which it has been projected (office swivel chair) and with diligence. Improper use (e.g. climbing the chair with feet) may cause instability, falling down and/or serious injury to persons and objects.  
Do not modify the chair in a way that could compromise its stability. Gas column substitution or reparation must be performed by trained staff only.

### CLEANING AND MAINTENANCE

As a general rule, we recommend using cleaning products that do not harm the environment.
