"Quando mi alzavo per andare a scuola o al lavoro mi dovevo mettere un paio di scarpe vecchie che poi ad un certo punto della strada appendevo a un ulivo e ne mettevo un altro paio per arrivare a scuola oppure a Teramo dove lavoravo."

"When I got up to go to school or work I had to wear a pair of old shoes and then at some point along the street I would hang them on an olive tree and put on a newer pair, that I would wear at school or in Teramo, where I used to work."

"Quand je me levais pour aller à l'école ou au travail, je devais mettre une vieille paire de chaussures, puis, en chemin, je les pendais à un olivier et j'en mettais une autre paire pour aller à l'école ou à Teramo où j'ai travaillé."

Fondatore/ Founder/ Fondateur

Sono le parole di un uomo appassionato che con carattere e motivazione ha cambiato la propria condizione di origine. Un percorso virtuoso che da semplice operaio lo ha portato ad essere imprenditore di successo, curioso ed instancabile. I pochi mezzi a disposizione non furono un limite, ma uno stimolo costante.

These are the words of a passionate man who changed his condition of origin with character and motivation. A virtuous path that from a simple worker led him to be a successful, curious and tireless entrepreneur. The few means available were not a limit, but a constant stimulus.

Ce sont les mots d'un homme passionné qui, à force de caractère et de motivation, a changé sa situation. Un parcours vertueux qui l'a conduit d'un simple ouvrier à un entrepreneur prospère, curieux et infatigable. Le peu de moyens dont il disposait n'était pas une limitation, mais une stimulation constante.

Il Gruppo LAS® è una delle realtà industriali italiane più importanti nel settore del mobile per ufficio che unisce le competenze di tre unità produttive: mobili, sedute, pareti. LAS® produce mobili, sedute e pareti divisorie per ufficio studiati per affrontare un mercato internazionale esigente e in continua evoluzione.

Lo stile e la qualità rappresentano le costanti di ogni collezione. L'evoluzione del lavoro in ufficio e lo "smart working" hanno ispirato prodotti innovativi che integrano materiali e finiture secondo la logica del "total look".

LAS® manufactures furniture, seats and partition walls for offices that are designed to address a demanding and constantly evolving international market. Style and quality are the highlights of each and every collection. The evolution of office work and "smart working" trends have inspired innovative products that integrate materials and finishes to meet the "total look" logic.

LAS® produit des meubles, des sièges et des cloisons de séparation pour bureaux conçus pour faire face à un marché international exigeant et en constante évolution. Style et qualité sont les constantes de chaque collection. L'évolution du travail au bureau et le «travail intelligent» ont inspiré des produits innovants intégrant des matériaux et des finitions selon la logique du «total look».
